**Safe Environment Program 2008
Diocese of Tyler**

N.B.: The Charter requires the Diocese to get this form signed by all parents/guardians. Your cooperation is appreciated.

It is very important that a conscious and consistent effort be made to form our young people about what constitutes a **safe environment** and how to respond if they are ever faced with a situation that threatens them or makes them uncomfortable. The Diocese of Tyler encourages all parents and guardians to take seriously this need for forming their children concerning **safe environment** issues. The diocese encourages all parents/guardians to work in a responsible manner with the diocese in the ongoing formation of their children regarding the topic of sex abuse.
