

Children need everyday heroes – they need you!

My Sunshine Circle

Put the names of people you trust at home, at school, and in your neighborhood on the rays of the sun. These are the people you can talk to about anything, no matter how awful or small it seems.

The Children's Trust Fund, Child Abuse Prevention Fund and Prevent Child Abuse Wisconsin sponsor Blue Ribbons for KIDS to educate Wisconsin children, families and communities about the need for child abuse and neglect prevention.
